

REMARKS

All of the claims are rejected either under Section 102 or Section 103 on combinations that include the cited Juels patent application. However, that application was filed July 29, 2005. Even if it were given the benefit of its provisional application date of July 29, 2004, it still would not be prior art.

Therefore, a *prima facie* rejection is not made out.

Respectfully submitted,

Date: November 10, 2008
